2013 Certificate of Participation
Maintenance of Certification in Plastic Surgery (MOC-PS®) Program

American Board of Plastic Surgery
ABMS Maintenance of Certification®
Certification Matters

This certificate is valid for the 2013 calendar year to serve as proof of the following physician's participation in the Maintenance of Certification Program.

DIPLOMATE NAME: Orlando Joseph Cicilioni Jr., MD
BOARD ID NUMBER: 107641
CURRENT 10 YEAR MOC CYCLE: 12/1/2011-12/31/2021

The ABPS MOC-PS® Program requirements are aligned with the four basic components approved by all 24 Member Boards of the American Board of Medical Specialties (ABMS).

1. Licensure and Professional Standing (Part I MOC – years 3, 6 and 9 of 10 year cycle)
 - Verification of unrestricted state medical license, hospital privileges, accreditation of non-hospital based freestanding outpatient surgery centers, submission of advertising material, membership in one of the Board's sponsoring organizations, and peer review
2. Life Long Learning and Self-Assessment (Part II MOC – years 3, 6 and 9 of 10 year cycle)
 - 150 Continuing Medical Education (CME) credits in the previous three years
 - Completion of one MOC-approved educational activity
3. Cognitive Expertise (Part III MOC – year 8, 9 or 10 of 10 year cycle)
 - MOC-PS® Examination
4. Practice Performance Assessment (Part IV MOC)
 - Completion of one Practice Assessment Module (review data from ten patient charts of one specific operation chosen from a list of twenty operations available), Review of Benchmarking Report for comparison of data to peers and completion of Action Plan for Improvement (years 3, 6 and 9 of 10 year cycle)
 - Case Collection of de-identified data from all cases over a six-month period (year 7, 8 or 9 of 10 year cycle)
