

ORLANDO J. CICILIONI, JR, MD, FACS

Email: OCicilioni@OrlandoCicilioni.com

Ph (941) 388-1110

www.OrlandoCicilioni.com

EDUCATION:

Undergraduate: University of Scranton
Scranton, Pennsylvania
Major: Pre medicine (Biology)
September 1985 - May 1988
Degree: B.S. *Summa Cum Laude*

Medical School: Jefferson Medical College
Philadelphia, Pennsylvania
September 1988 - June 1992
Degree: M.D. *Cum Laude*

Internship: University of Florida
Gainesville, Florida
General Surgery (Categorical)
July 1992 - June 1993

Residency: University of Florida
Gainesville, Florida
July 1992 - June 1997
Chief Resident: July 1996 - June 1997

Fellowship: University of Florida
Gainesville, Florida
July 1997 - June 1999
Chief Resident: July 1998 - June 1999

CERTIFICATION:

American Board of Surgery (diplomate)
American Board of Plastic Surgery (diplomate)
N.B.M.E. Parts I, II, & III

LICENSURE:

State of Florida - Me 0065746
State of North Carolina - 2003-00132

CLINICAL PRIVILEGES:

Sarasota Memorial Hospital
Cape Surgery Center
The Doctor's Hospital
Doctors Same Day Surgery Center

TEACHING APPOINTMENTS: Clinical Assistant Professor for Florida State University College of Medicine

Clinical Faculty in Plastic Surgery for Florida Hospital General Surgery Residency Program, July 2007 - 2016.

Assistant Professor in Plastic Surgery for University of Central Florida College of Medicine (voluntary, unpaid position)

ORLANDO J. CICILIONI, JR., M.D., F.A.C.S.

HOSPITAL COMMITTEES: Chairman of the Department of Plastic and Reconstructive Surgery for Florida Hospital, January 1, 2006 to March 2016

Florida Hospital Medical Executive Committee Member,
2006 – March 2016

Florida Hospital Bylaws Committee Member, 2006 – March 2016

Florida Hospital Surgical Service Line Peer Review,
Committee Member, 2004 – March 2016

Chairman of Florida Hospital Department of Plastic
Surgery Performance Improvement Committee, 2006-2010

Sarasota Memorial Hospital Surgical Qi Committee, 2019 to present

RESEARCH:

Undergraduate: “Prolongation of the IVY Bleeding Time in Renal Failure Patients.”
Scranton-Temple Research Program

Medical School: “Detection of DNA Double-strand Breaks in Synchronous CHO Cells
Using Pulsed Field Gel Electrophoresis.”
Jefferson Medical College, Dept. of Radiation Biology, 1989
N.I.H. Funded Program

Postgraduate: “Postoperative Radiation Therapy for Keloids.”
University of Florida, Dept. of Plastic Surgery, 1997.

“Lipid Absorption by Silicone Elastomers as a Contributor to the Late
Failure of Breast Implants.” Univ. of FL, Dept of Plastic Surgery, 1998.

Private Practice: Reconstruction of Complicated Sternal Wounds
Mentor Silicone Gel Breast Implant Adjunct Study
Mentor Silicone Gel Breast Implant Post Approval Study

ABSTRACTS: C.C. Solarzano, J.W. Kilkenny, O.J.Cicilioni, J.N.Vauthey. Dept. of Surgery,
University of Florida College of Medicine, Gainesville and Jacksonville, FL.

Prospective Evaluation of the Giant Prosthetic Reinforcement of the Visceral Sac
(Stoppa Procedure) for Complex Bilateral and Recurrent Inguinal Hernias. *The
Society for Surgery of the Alimentary Tract*, 1997 Digestive Disease Week.

POSTER PRESENTATIONS:

“40 Successful Consecutive Cases of Sternal Wound Reconstruction Using the Synthes
Ti Rib-to-Rib Titanium Fixation System,” featured at the Southeastern Society of Plastic
Surgeons annual meeting in Puerto Rico 2010.

PUBLICATIONS: Iliakis, G.E., Cicilioni, O.J., Metzger, L. “Measurement of DNA Double-strand
Breaks in CHO Cells at Various Stages of the Cell Cycle Using Pulsed Field Gel
Electrophoresis: Calibration by Means of ¹²⁵I Decay.” *Int. J. Radiat. Biol.*, 1991,
Vol. 59, no.2, 343-357 (*National Institute of Health grant funding*)

ORLANDO J. CICILIONI, JR., M.D., F.A.C.S.

Iliakis G., Bloecher D., Metzger L., Okayasu R., Pantelias g., Cicilioni O.,
“Measurement of DNA Double-strand Breaks in Mammalian Cells: Comparison
Between Pulsed Field Gel Electrophoresis and Non-unwinding Filter Elution.” NATO
ASI Series, 1991: H54; PP. 55-69.

Cicilioni, O.J., Steig, F.H., Papanicalaou, G., “Sternal Wound Reconstruction with
Transverse Plate Fixation.” *Plastic and Reconstructive Surgery*, Vol. 115, No. 5,
April 15, 2005, PP. 1297-1303. (*Synthes Corporation grant funding*)

“Initial Experience With the Use of Porcine Acellular Dermal Matrix (Strattice) for
Abdominal Wall Reinforcement After Transverse Rectus Abdominis Myocutaneous Flap
Breast Reconstruction.” *Annals of Plastic Surgery*, Orlando Cicilioni, Jr., MD, FACS,
Gerson Araujo, MD, Nancy Mimbs, Pa-C,‡ and Matthew D. Cox, BS, MS , 2012 March
68(3):265-90.

“Mycobacterium fortuitum Infection following Reconstructive Breast Surgery:
Differentiation from Classically Described Red breast Syndrome.” *Plastic and
Reconstructive Surgery GO*, Orlando J. Cicilioni, Jr, MD, VanBrandon Foles, MD, Barry
Sieger, MD, Kelly Musselman, RN, Nov 7, 2013

INVENTIONS & INNOVATIONS:

Co-inventor of technique for open reduction and internal
Fixation of the sternum in complicated post-sternotomy wounds.

Co-inventor of an FDA approved Synthes
Ti Rib to Rib Titanium Sternal Fixation Plating System.

PRESENTATIONS: “Lipid Absorption by Silicone Breast Implant Elastomers and its effect on
Material Breaking Strength.” Plastic Surgery Senior Residents’ Conference,
March 1999, Galveston, TX

Surgical Grand Rounds at the University of Florida/Shand’s Hospital in
Gainesville, FL. “Sternal Wound Reconstruction with Transverse Plate
Fixation.” January 12, 2005

Synthes Corporation Annual Meeting at Palm Beach Desert, California.
Sternal Wound Reconstruction with Transverse Plate Fixation.” April 11, 2005

Sternal Wound Reconstruction with Transverse Plate Fixation, Florida Hospital
Orlando Multidisciplinary Conference, Orlando, FL May 11, 2005

Sternal Wound Reconstruction with Transverse Plate Fixation, Emory
University Grand Rounds Presentation, Atlanta, Georgia. July 12, 2005

Breast Cancer Reconstruction, Lecture Given to Florida Hospital Breast Cancer
Support Group, Altamonte Springs, FL September 13, 2005.

Traditional vs. New Closure Techniques for Sternal Reconstruction Lecture and
Techniques Lab, A.P.A.C.V.S., Chicago, IL., January 28, 2006

Reconstruction of Complicated Chest Wounds using Synthes Sternal Fixation

ORLANDO J. CICILIONI, JR., M.D., F.A.C.S.

Plates, International Users Meeting , September 8, 2006, Stockholm, Sweden.

“Reconstruction of Complicated Sternal Wounds with Transverse Plate Fixation,”, Visiting Professor Grand Rounds Lecture at the University of Utah Medical Center, October 26, 2006.

“Plate Fixation of the Sternum,” Advanced Techniques: Complex Chest & Body Wall Reconstruction Course, University of Texas Southwestern, Course Faculty Member, April 28, 2007.

“History of Titanium Sternal Fixation,” Workshop. New Treatment Options in Sternal Complications., Medical University of Vienna, General Hospital, Vienna, Austria. Course Faculty Member and Co-chairman, May 11-12, 2007.

“Sternal Wound Reconstruction using Transverse Plate Fixation.” Visiting Professor Grand Rounds Lecture at Jefferson Medical College of Thomas Jefferson University, January 29, 2009.

“Techniques in Breast Reconstruction and Advancements with the Use of Biologic Implants,” 2009 UCF Breast Cancer Update, Univeristy of Central Florida Women’s Research Center, October 15, 2009.

PRINT & VIDEO PRODUCTIONS: 1) Titanium Sternal Fixation System, Technique Guide, Synthes Corporation, assistant editor
2) Synthes Ti Rib to Rib Fixation Video, surgeon/actor, 2004

RESEARCH GRANTS: Synthes Corporation Grant for \$4,600.00 to cover costs of research publication For my new technique for reconstruction of infected open heart chest wounds Using titanium reconstruction plates, 2002

Synthes Corporation Grant for \$26,500.00 to cover costs of research publication For presentation of my newly designed and FDA approved Sternal Fixation Plates for use in reconstruction of post-sternotomy complicated wounds, 2006.

HONORS & AWARDS:

Undergraduate:	Alpha Epsilon Delta Premedical Honor Society Dean’s List B.S. degree received <i>Summa Cum Laude</i>
Medical School:	Hobart Amory Hare Honor Medical Society N.I.H. Research Scholarship M.D. degree received <i>Cum Laude</i>
Private Practice:	American Medical Association Physicians Recognition Award 2003 Childrens’ Medical Services Physician’s Recognition Award 2004

HONORS & AWARDS:

Private Practice:	Best Plastic Surgery Group Practice in Central Florida -- Florida
-------------------	--------------------------------------------------------------------------

ORLANDO J. CICILIONI, JR., M.D., F.A.C.S.

Medical Business News - 2003 & 2004 (while working at Plastic Surgery Specialists, PA. in Winter Park, FL)

Ranked “**One of the Best Cosmetic Surgery Practices**” by Orlando Business Journal 2005 and 2006

“**Certificate of Appreciation**” Award, presented by the Mayor of the city of Merida in Mexico, June 2002, for my participation in an international humanitarian effort for Cleft Lip and Cleft palate surgeries in conjunction with Florida Hospital Shares Foundation

“**Most Distinguished Visitor**” Award, presented by the Mayor of Villahermosa in Tabasco, Mexico, June 2004, for organizing an international humanitarian effort for Cleft Lip & Cleft Palate surgeries in conjunction with Florida Hospital Shares Foundation

Who’s Who in America, The Marquis Who’s Who Publication Board, 2006, inclusion is limited to those individuals who have demonstrated outstanding achievement in their own fields of endeavor and who have, thereby contributed significantly to the betterment of contemporary society

OTHER EXPERIENCE:

Served as the Plastic & Reconstructive Surgeon for Orlando Regional Medical Center Lucerne Hospital’s Outpatient Wound Healing Center (August 2000 - August 2001)

Former Clinical Liaison to Synthes Corporation Sternal Reconstruction Plate Research and Development Division

Member of the Allergan NOVO Academy (Special Consultants for the corporation on breast implant usage and development in aesthetic and reconstructive surgery)

Organized a Political Campaign Fund Raiser For Rep. Dean Cannon, Florida House of Representatives, Winter Park District, upon request of the Florida Medical Association, 2004

Organized, Hosted, & Sponsored a Political Campaign Fund Raiser for Dean Cannon, ESQ, Florida State House of Representatives, District 35 In association with the FMA and OCMS at Commerce National Bank, December 13, 2005

ORGANIZATIONS:

Fellow of American College of Surgeons

American Society of Plastic Surgeons

Florida Society of Plastic Surgeons

Sarasota County Medical Society

Central Florida Cleft Lip & Palate Association (Jan '00 to Aug '05)

Florida Hospital Shares Foundation, former member and surgical team leader for international humanitarian trips for Cleft Lip and Cleft Palate Surgery yearly in various provinces of Mexico

VOLUNTEER WORK:

Florida Hospital Shares Foundation Cleft Lip and Palate Surgical Mission Trip to Merida, Mexico. Surgeon. June 2002
Florida Hospital Shares Foundation Cleft Lip and Palate Surgical

ORLANDO J. CICILIONI, JR., M.D., F.A.C.S.

Mission Trip to Villahermosa, Mexico. Team Leader and Head Surgeon. June 2004
Florida Hospital Shares Foundation Cleft Lip and Palate Surgical Mission Trip to Villahermosa, Mexico. Team Leader and Head Surgeon. June 2005
Florida Hospital Shares Foundation Cleft Lip and Palate Surgical Mission Trip to Tuxtla, Mexico. Team Leader and Head Surgeon. August 2005
Florida Hospital Shares Foundation Cleft Lip and Palate Surgical Mission Trip to Vera Cruz, Mexico, Team Leader and Head Surgeon, August 5 to August 13, 2006.
Florida Hospital Shares Foundation Cleft Lip and Palate Surgical Mission Trip to Villahermosa, Mexico, Team leader and Head Surgeon, March 2007.
Florida Hospital Shares Foundation Cleft Lip and Palate Surgical Mission Trip to Vera Cruz, Mexico, Team Leader and Head Surgeon, June 23 to June 30, 2007.
